Great Wisconsin Quilt Show 2013
A New Virtual Experience

We’re all in this together.

For the past 15 years, The Great Wisconsin Quilt Show has welcomed thousands of quilting enthusiasts to Madison, Wis. to celebrate the joys of quilting. This year, due to COVID-19, we’re welcoming you to our virtual show instead – online at QuiltShow.com.

We are proud of the educational engagement that The Great Wisconsin Quilt Show fosters with our quilting community each year, and are excited to offer that again this year in a new way. The funds we raise from the show help support PBS Wisconsin programs, events, education and community outreach. In this unique situation, however, we have chosen to provide you with a free experience this year. But, we want the show to come back even stronger next year, so if you’re able, please help us continue this tradition by donating what you can at QuiltShow.com/donate.

Our lives look different than they did last year at this time. COVID-19 has disrupted lives and routines, and we’re all getting used to a new normal. Despite these changing times, The Great Wisconsin Quilt Show is honored to bring you a safe, virtual event that will let us all Escape, Create and Celebrate without leaving our homes.

The virtual Great Wisconsin Quilt Show will offer educational opportunities from nationally recognized presenters, a variety of shopping options from vendors selling the latest notions and fabrics, and — one of our most popular features — the 10-category juried and judged quilt contest and exhibit. All of this will be available via your computer, tablet or mobile device. You’ll even be able to zoom in on quilt details and ask our presenters questions!

On the following pages, you’ll find everything you need to plan your Great Wisconsin Quilt Show online experience, whether you’re a longtime attendee or you’re joining us for the first time.

◆ Explore educational opportunities to pique your curiosity, all from leading educators.

◆ View our extensive list of vendors, offering the latest fabrics, threads, notions and sewing machines — and learn how to support them!

◆ Our community service project, Quilt to Give, returns this year. Share your love of quilting by taking time to sew with us. We’ll be hosting this project via social media Aug. 24-28.

◆ Our virtual 10-category Quilt Contest exhibit and other special exhibits feature hundreds of beautiful quilts – all in 3-D!

All this and much more is just around the corner! Visit QuiltShow.com to get acquainted with the website. Then, join us there Sept. 10-12 for our virtual show!

Step Into the Future of Quilting
Pam Mahshie, BERNINA of America
9–9:45 a.m. CDT, Thursday
Sergers or overlocks can be confusing! Do I even need one as a quilter? What stitches do I use? Will the stitch be too bulky if I want to machine quilt after piecing? Learn the answers to all of these questions and more while Pam provides inspiration!

No-Hassle Triangles in Quilts:
The Nancy Zieman Way
Deanna Springer, Nancy Zieman Productions, LLC
2–2:45 p.m. CDT, Thursday
Effortlessly cut, mark, and stitch 1/2-square and 1/4-square quilt blocks without ever cutting a triangle or guessing at the sizes. 1/2-square and 1/4-square triangles are the foundation of many popular quilt blocks. Join Deanna for this lecture and expand your quilt block library – while learning Team NZP’s easy No-Hassle Triangle Techniques!

Finishing Touches
Bill Kerr, Modern Quilt Studio
3–3:45 p.m. CDT, Thursday
Bindings, thread selection, quilting patterns, batting loft, and even block size all transform the quilt top into a finished quilt. Learn how a lot of seemingly small decisions add up to a big impact when deciding on the details for your quilts.
SEE NEW IDEAS and learn helpful techniques from leading quilting educators. Enjoy as many video lectures as you like. The lectures are listed chronologically. All lecture times are Central Time. Please adjust accordingly if watching from a different time zone!

Presentations will be streamed at QuiltShow.com and on Facebook and YouTube. A live presenter Q&A will follow each lecture. The videos will also be available to watch on-demand after the virtual experience at QuiltShow.com.

Palette Building: What Works, What Doesn’t and Why
Weeks Ringle, Modern Quilt Studio

Easy Machine Quilting
Lori Kennedy, Lori Kennedy Quilt Studio
1–1:45 p.m. CDT, Saturday
Transform your quilt tops into quilted heirlooms with easy machine quilting! Learn how to choose the right batting and thread for every quilt. Doodle along with Lori as she demonstrates five motifs every quilter should learn. Then discover how to modify basic motifs to create quilts with personality!

Sensational Quilts for Scrap Lovers
Judy Gauthier, Bungalow Quilting and Yarn
2–2:45 p.m. CDT, Saturday
Learn to make scrap quilts of every size. Judy will demonstrate her unique no-waste cutting methods and practical color selection techniques using the color wheel. With Judy’s tips, you’ll find fabric scraps within your own stash – that you previously thought would never ‘marry’ together into beautiful scrap quilts.

Quick Quilting in the Hoop
Denise Abel, Nancy Zieman Productions, LLC
3–3:45 p.m. CDT, Saturday
Create stunning quilts by piecing and quilting in the hoop. Let Denise introduce you to the superb consistency you can achieve by combining these two machine embroidery techniques. Enjoy Denise’s “virtual” trunk show for endless inspiration.

(Central Time) during the virtual Great Wisconsin Quilt Show, we invite you to visit the online vendor portals, where participating businesses will stream video content. You’ll be able to bounce from one vendor’s stream to the next, much like booth-hopping at a physical vendor mall!

Vendors will provide sewing machine demos, showcase the latest fabric lines and provide how-to instruction. The experience will allow you to watch live video content while shopping from various vendors.

Our vendors need your support now more than ever! In addition to participating during the virtual Great Wisconsin Quilt Show, consider following our vendors on social media and signing up for their e-newsletters. Check out their online storefronts and shop for the latest notions, fabrics and sewing machines. Together, we can help sustain these businesses we all know and love!

Visit QuiltShow.com to learn more about and to support these participating vendors.

Each year at The Great Wisconsin Quilt Show, we feature an evening event designed to cap off a day of camaraderie and inspiration. This year’s virtual evening event features an exclusive sneak preview of PBS Wisconsin’s new documentary, *Nancy Zieman: Extraordinary Grace*.

An educator, entrepreneur and trailblazer, Nancy Zieman hosted *Sewing With Nancy* on public television stations for more than 30 years. This new documentary, coming later this year to PBS Wisconsin and next year to PBS stations across the United States, tells the story of Nancy’s life through her own words and the insight of those she inspired across a lifetime of family, faith and creativity.

**Advance registration is required for this online screening.**
Registration begins now at [QuiltShow.com](http://QuiltShow.com) and is open through Sept. 1. Sign up now for your chance to be among the first quilters to see this new film celebrating the life and work of a person who was so dear to all of us.

Nancy Zieman 4-H Virtual Community Quilt – Join the Fun!

Do you like to sew, quilt, create?

All youth and adult quilters, sewists and fiber artists are invited to contribute to a virtual community quilt in celebration of the upcoming premiere of the PBS Wisconsin documentary, *Nancy Zieman: Extraordinary Grace*.

Nancy’s career in sewing and fiber arts was inspired by her youth participation in Wisconsin 4-H. Nancy credited 4-H for many life skills including public speaking, problem solving, self-confidence, leadership and communication skills. 4-H project experiences allow youth a chance to explore their interests, creating pathways to both careers and lifelong hobbies.

Has Nancy inspired your lifelong hobby or career path? What life skills did you develop in 4-H? Or, what are you currently learning in your 4-H projects that is helping you think about your future career or lifelong hobbies? How has an adult helped and supported you like Nancy’s 4-H volunteer leaders encouraged her?

Go to [QuiltShow.com/communityprojects](http://QuiltShow.com/communityprojects) to upload an image of a 6-1/2-inch fiber art square or quilt block (no larger than 2 MB), along with a statement detailing how Nancy Zieman and/or 4-H directed your fiber arts journey or career path.

Note: Fiber arts square or quilt block must be 6-1/2-inches square, and may be stitched, pieced, appliquéd, painted, beaded, mixed or other. Entries are due by Sept. 1.

The Great Wisconsin Quilt Show virtual community quilt(s) will be shared at [QuiltShow.com/digitalquilt](http://QuiltShow.com/digitalquilt) as part of the virtual experience, Sept. 10-12. You’ll also be able to scroll through and read stories from participants across the country whose lives have been impacted by Nancy Zieman and/or 4-H.
